Thank you for taking the time to comment on the CRMF. In the final EIS, your submission will be reviewed and a decision will be made. In order to be considered substantive, your comment should: (1) not be a general statement of support or opposition; (2) be specific and focused on the project; (3) be based on facts and information available to the public; (4) be submitted in writing; (5) be submitted by the deadline; (6) be submitted to the correct office. Your comment will be reviewed and a decision will be made. In order to be considered substantive, your comment should: (1) not be a general statement of support or opposition; (2) be specific and focused on the project; (3) be based on facts and information available to the public; (4) be submitted in writing; (5) be submitted by the deadline; (6) be submitted to the correct office.

Do you have any submission comments or suggestions on any or all of the following?

Range of Alternatives (Chapter 2, pp. 30-36)

Preferred Alternative (Chapter 2, pp. 37-40)

Impact Analysis (Chapter 3, pp. 41-45)

Impact Analysis (Chapter 3, pp. 41-45)

Impact Analysis (Chapter 3, pp. 41-45)

Impact Analysis (Chapter 3, pp. 41-45)

Public Input
